A BIG THANK YOU TO OUR AMAZING TEAM OF VOLUNTEERS

Nonprofit organizations such as Mount Harmon depend heavily upon volunteers, who are the unsung heroes that make it all possible. How lucky are we to have such a wonderful group of people, with so many talents, and who give of them so freely. Our thanks go out to all Mount Harmon volunteers, and to those who give so generously of their time and talents.

SPECIAL THANKS TO:

The many docents who treasure our story and share it with the public on manor house and kitchen tours; those who lead groups of school children participating in living history and nature field trips; and to the artistic angels who create our program flyers and who supply all of the wonderful photos for our flyers and social network links.

Thank you to the quilters, sewers and spinners for sharing their skill and expertise with our guests; to those of you who get down and dirty taking care of our garden and helping with upkeep of the grounds; and to those volunteers who share their knowledge and love of nature with our guests while exploring our nature trails.

INTERESTED IN HISTORY & NATURE? VOLUNTEER AT MOUNT HARMON

Thanks also to the volunteers who spend their time researching Mount Harmon genealogy and history, so that our colonial story is ever evolving with new information; to our junior docents and interns who bring their enthusiasm, smiles and skills to our programs; to the volunteers behind the scenes making phone calls, getting mailings out, and helping with the administrative duties; to the group of people that help at our events, welcoming members and new guests, directing traffic, answering questions and supplying information to visitors. And finally, very special thanks to our board of directors who volunteer time and resources to help keep Mount Harmon a treasure now and well into the future, for all to enjoy.

Mount Harmon is always in need of volunteers who enjoy working with people, sharing their knowledge, and being a part of a team working together to share this special place with our visitors and community. If you would like to volunteer, or have a special talent to share or interest in nature or history, please contact Debbie Brown at 410-275-8819.
